

Welcome to Bug Club Phonics!

Dear Parent or Carer,

Our school is launching a new a reading programme today – Tuesday 9th November, called Bug Club Phonics. Every Tuesday as part of your child's reading homework they will be allocated a virtual book that will be accessible on the Bug Club Phonics website. This will help you to support your child in developing their reading skills alongside the teaching and learning which takes place in school.

Below you will find key information about the scheme and how you can navigate the programme and books as well as get involved. We hope that you and your child will love these books and enjoy reading them at home.

Learning to read

The Bug Club programme follows an approach of synthesising phonemes associated with graphemes a child sees; or put another way, learning to read by blending the sounds associated with the letters a child sees. The programme is the product of extensive research on the best way to teach children how to read.

The reading books your child is assigned are designed to support them in practising and consolidating the learning they have done at school. They also enable children to experience the pleasure and pride of reading their own books.

All the books in Bug Club Phonics have been finely-levelled to ensure that all children can read books at exactly the right level for them. What's more, there is a personalised website for each child.

Using the online reading world

Each child has a unique homepage and can log into it by following these steps:

1. Go to www.activelearnprimary.co.uk
2. Enter the login details. Our school code is: **hsp3**
3. Your child's homepage will appear.

Reading a book online

We allocate books to your child according to their reading levels. These books will appear in the 'My Stuff' area of their personal homepage.

The eBooks have three main additional features to help your child. Find them in the 'Independent' section of 'My Stuff'.

- **Phoneme pronunciation guide:** click on the bug icon to hear some of the phonemes (sounds) in the book.
- **Read to me:** after your child has had a go at reading the book, you can click on this to hear the text read out loud e.g. to help your child with giving expression.
- **Quiz question:** click on the second bug icon within the book to answer a question designed to reinforce your child's learning. Their teacher will receive information about attempted questions.

When your child has finished the book, clicked on the phoneme pronunciation guide and attempted the quiz question, he or she will earn 'ActiveLearn Coins'. By reading more books, your child will earn enough coins to 'buy' a reward in one of the many reward schemes.

When your child has finished a book, it will move to 'My Library'. Children can read these books again if they want to, or they can choose new books from 'My Stuff'. Until they are fluent readers, younger children will benefit from reading aloud to you as often as possible. We would strongly encourage you to revisit the books in 'My Library' to develop your child's reading fluency.

After your child has learnt to read

Sharing reading

When sharing a book with your child, try to take opportunities to talk about the book - before, during and after reading.

Before reading: look at the book cover and talk about your child's expectations. Is the book likely to be fiction or non-fiction? Have you read other books together about these characters or by this author? What does your child think the book is going to be about?

While reading: support your child when unknown words need tackling: you can sound them out, split them into syllables, or identify suffixes and prefixes. Remind your child to listen to the words while reading them, to make sure that they make sense. Have a 'meaning check' every now and again to ensure that your child understands the text.

After reading: talk about the book. What was it about? Did it match your child's expectations? Ask questions beginning with the words *how* and *why* to check that your child has been able to read between the lines. Ask whether anything seemed puzzling. Then ask your child to explain what the best and worst bits of the book were, and why.

Need help?

If your child is having trouble using the pupil world, help can be found in the Help Section of ActiveLearn Primary (in the top right-hand corner of the website).

Please note: We strongly recommend using Google Chrome or Mozilla Firefox web browsers with ActiveLearn. If you prefer to use Internet Explorer, please check you have at least IE9 in order for everything to work as it should.

Helpful tips:

- You can choose a theme for ActiveLearn. These themes are called "worlds". Hover over 'My Home' at the top of the page to see which worlds you can choose from.
- You can see the number of Active Learn coins you have earned on the barrel underneath your name.
- You will find books in 'My Stuff'. Look out for the Bug head icon to open an activity. Your teacher may also assign you a game to play. They will also appear in 'My Stuff'.
- You can access all your previously read books in 'My Library'.
- The Bug head icon will have closed eyes to show that the activity has been answered.
- You can earn coins to spend in My Rewards.
